

Hyundai 20W LED Waterproof Floodlight Warm White 3000K HYUFL001

Enjoy Hyundai value in your home or office with this warm white (3000K) 20W LED floodlight. It will make your outdoor areas look warm and welcoming.

This floodlight is perfect for lighting up hard to see areas after dark as well as lighting outdoor paths.

It is IP65 rated, meaning that it's protected against general water splashes and dust. It's 184x165x28mm in size and is made from aluminium.

It's also simple to install, as the flood light comes with a 1m flexible cable. Simply plug and play to get your floodlight lighting your path or garden.

This 20W floodlight can directly replace a 120W halogen floodlight, offering up to 90% energy savings compared to the 120W halogen floodlight equivalent.

It has a 110 degree beam angle and 1800 lumen output, perfect for flooding an outside area with light.

It comes with a 3 year warranty and with installation instructions, making it perfect for any DIY project!
