

Hyundai Smart Colour Changing RGBW Solar Garden Glow HYUSGG001

The Garden Glow is a solar powered, versatile outdoor lamp that will provide decorative and functional lighting. Use one or more to light your pathways or to create some great vibes for your next event!

You can also take your garden glow with you to the beach or park for your next twilight picnic. Use it to light areas on on your balcony or set it as an outside table decoration by easily detaching the spike. The possibilities are endless.

Sync your Garden Glow with the Smart Life Smart Living app and choose from a variety of colours to create the right vibe. Once it's fully charged, you can even use it to light and decorate your indoor spaces too. Dinner party, anyone?!

This lamp offers 0.5w of power and uses a Bluetooth mesh protocol. You can control it from a range of up to 20m. It is also IP65 rated, meaning that it's water and dust proof, so you can permanently leave it outside.

This product offers a battery capacity of 1000mAh (Li-) and voltage of 3.7v and comes with a 3 year warranty.
