

Hyundai 20W LED Warm White 3000K 2 Waterproof Floodlights Bundle

HYUBFL001-1

Enjoy Hyundai value in your home or office with these two warm white (3000K) 20W LED floodlights. They will make your outdoor areas look warm and welcoming.

These floodlights are perfect for lighting up hard to see areas after dark as well as lighting paths.

They are IP65 rated, meaning that they're protected against general water splashes and dust. They are 184x165x28mm in size and are made from aluminium.

They are also simple to install, as both flood lights come with a 1m flexible cable. Simply plug and play to get your floodlights lighting your path or garden.

These 20W floodlights can directly replace a 120W halogen floodlight, offering up to 90% energy savings compared to the 120W halogen floodlight equivalents.

They have a 110 degree beam angle and 1800 lumen output, perfect for flooding an outside area with light.

They both come with a 3 year warranty and with installation instructions, making them perfect for any DIY outdoor project!
