

Hyundai Filament LED G125 Smart Tuneable White E27 4 Bulb Bundle

HYUBFIL005W-1

Ever wanted your lighting to match your mood? These four G125 LED bulbs will let you relax with warm white colour temperatures or remain alert by using bright daylight settings.

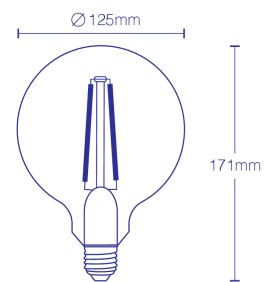

Connect these bulbs through Wi-Fi or Bluetooth and control them with your smart phone or tablet using the Smart Life – Smart Living App, Google Home or Alexa.

These smart bulbs are perfect for DIYers as they are easy to set up and no hub is required. Create lighting scenes and schedule these through automated on/off times.

These smart G125s come with E27 cap size (or Edison screw) and are part of our filament range incorporating smart technology.

This smart bulb is dimmable and uses 7W of power. It has 700 lumen output, works on 220-240 volts and has a rating of 80 on the colour rendering index.

It also comes with a 3 year warranty.
