

Hyundai Garden Light Driver 100W 12V

HYUDR001

Create your own garden light kit using this Hyundai Garden Light Driver along with Hyundai Garden Lights and Hyundai Garden Light Interconnect Cables. Each driver can power up to 10 Hyundai Garden Lights interconnected by the Hyundai Garden Light Interconnect Cables.

For those just getting started, the Hyundai LED Garden Light Kit includes all parts needed to illuminate your outdoor space.

This garden light driver combined with our garden lights is the perfect choice for DIYers looking for an easy-to-install modern garden lighting option providing great value for money. Light up your garden beds, trees, shrubs, pool areas and decks to enjoy and entertain at night. These lights can also provide a valuable safety function, guiding your family and friends away from trip hazards after dark.
