

Hyundai Garden Light Warm White HYUGL003

This modern LED garden light is the perfect DIY option to light your garden, yard or landscape.

Create your own garden light kit of up to 10 Hyundai LED Garden lights with Hyundai Garden Light Interconnect Cables and Hyundai Garden Light Driver.

For those just getting started, the Hyundai LED Garden Light Kit includes all parts needed to illuminate your outdoor space.

Each garden light package includes one garden light with 1m doubly insulated cable/connector, one garden spike, and accessories to mount and angle each light.

The waterproof light attach directly to aluminium powder-coated spike that are weatherproof enabling you to place it directly into your lawn or garden.

This garden light is the perfect choice for DIYers looking for an easy-to-install modern garden lighting option providing great value for money. Light up your garden beds, trees, shrubs, pool areas and decks to enjoy and entertain at night. These lights can also provide a valuable safety function, guiding your family and friends away from trip hazards after dark.

The garden light also comes with a 3-year warranty.
