

Hyundai Smart Colour Changing RGBW 5 Solar Garden Glows Bundle

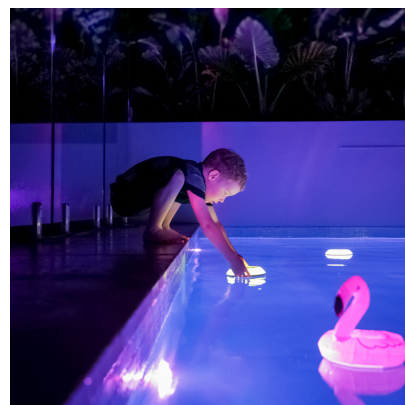

HYUBSGG001

Our Garden Glows are solar powered, versatile outdoor lamps that provide decorative and functional lighting. Use this bundle of five to light your pathways or to create some great vibes for your next event!

You can take your Garden Glows with you to the beach or park for your next twilight picnic. Use them to light areas on on your balcony or set them as an outside table decoration by quickly removing the spike. The possibilities are endless.

Sync your Garden Glows with the Smart Life Smart Living app and choose from a wide range of light colours. Our Garden Glows offer 0.5w of power and use a Bluetooth mesh protocol. You can control them from a range of up to 20m.

Our Garden Glows are also water and dust proof so you can permanently leave them outside!
