

Hyundai Recessed Smart Tuneable White LED Downlight HYUDL001W

Enjoy Hyundai value in your home or office with this smart LED downlight.

They are energy efficient, easy to install, dimmable, reliable & affordable and come in a white finish.

They can be connected via Bluetooth or WiFi. You can control them with the Smart Life App and connect them to Google Home or Alexa.

Choose a variety of white light settings from warm white (3000K) to cool white (4000K) or daylight (6500K).

They have a 90mm cut out and are only 50mm in height, which allows installation even in tight ceiling gaps.

This smart LED downlight comes with IP44 ingress protection (from below), meaning it is protected from water splashes. They have an IC-4 rating, which means that they can be safely installed in ceilings with insulation. Therefore, they will suit most residential installations.

It also comes with a 3 year warranty.

With a 3 year warranty, they are the perfect downlight to install in your home to assist with general work and play as well as accent or area lighting.
