Hyundai Filament A60 Smart Tuneable White LED Bulb E27
HYUFIL002W

Match your light temperature to your mood with this smart A60 filament bulb in your home or office.

You can relax with warm white or choose cooler daylight colours to keep you more alert. Choose white colour temperatures from 2700K (warm white) to 6500K (daylight).

Connect this bulb through WiFi or Bluetooth and control it with your smart phone or tablet using the Smart Life - Smart Living App, Google Home or Alexa.

This smart bulb is perfect for DIYers as it's easy to set up and no hub is required. Create lighting scenes and schedule these through automated on/off times.

This smart filament bulb is dimmable and uses 7W of power. It comes with E27 cap size (or Edison screw), features 700 lumen output, works on 220-240Volts and has a rating of 80 on the colour rendering index.

It also comes with a 3 year warranty.
