

Hyundai Filament G125 Smart Tuneable White LED Bulb E27

HYUFIL005W

Ever wanted your lighting to match your mood? This G125 LED bulb will let you relax with a warm white colour temperature or remain alert by using a bright daylight setting.

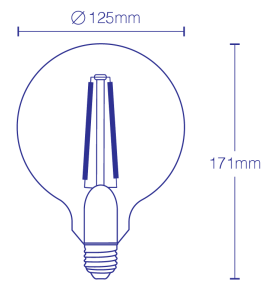

Connect this bulb through WiFi or Bluetooth and control it with your smart phone or tablet using the Smart Life – Smart Living App, Google Home or Alexa.

This Smart bulb is perfect for DIYers as it's easy to set up and no hub is required. Create lighting scenes and schedule these through automated on/off times.

The Smart G125 comes with E27 cap size (or Edison screw) and is part of our filament range incorporating smart technology.

This Smart bulb is dimmable and uses 7W of power. It has 700 lumen output, works on 220-240Volts and has a rating of 80 on the colour rendering index.

It also comes with a 3 year warranty.
