

## Hyundai Edison ST64 LED Bulb - E27 Warm White

### HYUFIL003

This ST64 Edison bulb pushes light in all directions. It comes with E27 cap size and creates a warm white light.

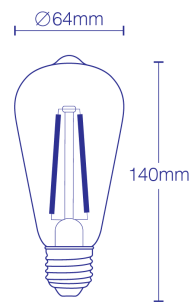

It's classic pear shape complements any interior design as it offers the same look, size and functionality as a standard incandescent bulb.

It is also up to 90% more energy efficient than traditional incandescent and halogen globes and is a replacement for a 50W incandescent filament bulb.

This ST64 LED bulb comes with E27 cap size (an Edison screw). It has a 64mm diameter and is 140mm in height, is dimmable and uses 6W of power.

It provides instant light when switched on and offers warm white light (2700K). It features 600 lumen output and works on 220-240 volts and a rating of 80 on the colour rendering index.

It also comes with a 3 year warranty.
